

Hassle-free human resources

Protect your business and manage what matters

From juggling labor laws to handling daily employee concerns, managing staff is never without its challenges. But HR management shouldn't leave you feeling like you're in over your head.

With Heartland HR, you can use a free library of resources paired with expert HR advice to meet legal requirements with confidence — and avoid hefty compliance fees.

Grow your business *and* your people with care.

Info you can trust: Rely on a single resource hub for critical HR materials and up-to-the-minute legal alerts.

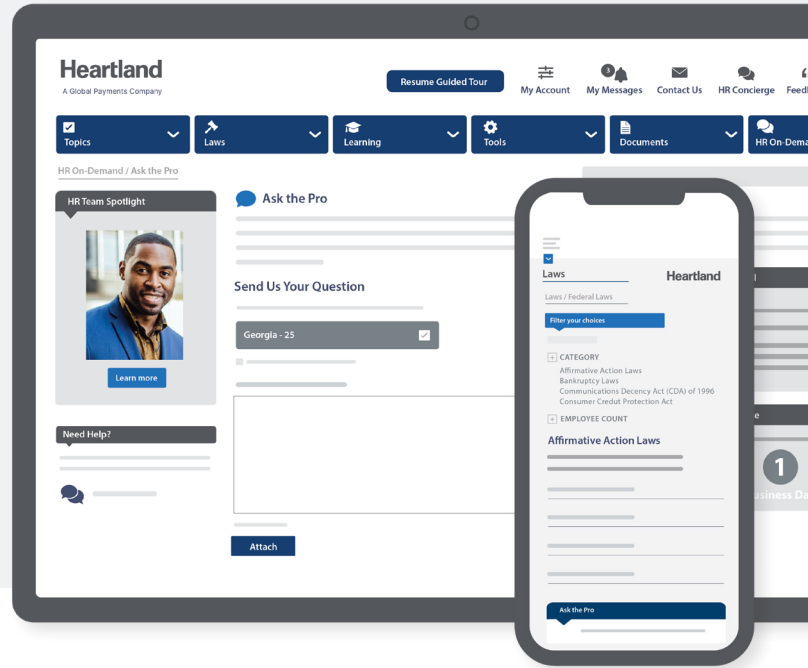

Worry-free compliance: Receive an annual labor law poster backed by our \$25,000 "We Pay The Fine" guarantee.

A team to rely on: Get one-on-one HR support when you need a hand with labor laws or people problems.

Customized company landing page: Post announcements and provide employees access to HR and payroll resources.

With Heartland HR and Payroll+, you get everything you need to manage your workforce without juggling multiple providers.

All-in-one people management solution

Free yourself from the back-office grind with a suite of integrated workforce management services that covers everything from HR help to payroll processing and more.

Plus, get honest pricing upfront: Choose from three flexible payroll pricing plans built for every business and budget. No hidden fees. No surprises.
